

	<p>Cool!</p> <p>Michael Morpurgo</p>	<p>Award winning author Michael Morpurgo crams a great deal of Emotion into this beautifully told short novel. Lying in a coma after being knocked down by a car, ten year old Robbie is unable to move or speak or see...</p> <p>This is a really good book and that you should read it. Also I'd say this is one of Michael Morpurgo's best books, so that's why you, yes you, should read Cool!</p>
	<p>Vampirates: Empire of Night, Tide of Terror and Blood Captain, Black Heart</p> <p>Justin Somper</p>	<p>The year is 2505. The Tempest twins, Grace and Connor, decide to leave their small town of Crescent Moon Bay after their father's death. They take their boat out, which has been claimed by the bank, into the ocean in the middle of a horrible storm and they become shipwrecked. Saved by a passing pirate ship Connor is pulled aboard by the pirate Cheng Li and quickly adjusts to his new life as a pirate prodigy.</p> <p>Meanwhile Grace is rescued from the sea by the Irish pirate Lorcan Furey. She soon discovers that the ship is not a pirate ship, but a Vampirate ship instead.</p> <p>As they fight to find each other, they discover that they have chosen different paths and loyalties, but will they ever find each other again, or is it too late?</p>
	<p>Percy Jackson Rick Riordan</p>	<p>The Greek gods are alive and kicking.</p>
	<p>Naruto Masashi Kishimoto</p>	<p>The story is about a 12 year old named Naruto who is fighting for acknowledgement from his villagers and more. When he was just an infant, the 4th Hokage sealed the Nine-Tailed Demon Fox inside of him to protect the villagers. The sealing took the 4th's life. Now, despite the fact that the 4th wanted people to regard him as a hero, everyone looks down on him, thinking that he is the demon fox that took there loved ones lives. The kids of the village don't know about this, but they look down on Naruto too simply because everyone else does. As the story progresses, it follows Naruto's acheivments and failures as a ninja and the other characters lives too.</p>

	<p>Private Peaceful</p> <p>Michael Morpurgo</p>	<p>http://www.guardian.co.uk/books/2003/oct/18/booksforchildrenandteenagers.michaelmorpurgo</p> <p><i>This is a very good book about the First World War and the soldiers that fought in it. As it says on the front cover, it's a book of 'innocence and love, courage and cowardice'. It is told from the point of view of Tommy Peaceful, and is very cleverly written, as he is looking back from the trenches at his life before that point. Tommy does this in the space of one night.</i></p>
	<p>Crazy Love</p> <p>Eric Brown</p>	<p><i>"Hi, I'm Trish - Trish Green. This is my diary. I kept it for a week. It was the most important week of my life... I didn't like myself before that week. I was a bitch, a real bitch. Then I met someone, and things began to get a lot better... And then things got a lot worse."</i></p> <p><i>Trish has everything, and knows she can have any boy she wants. Instead she starts a cruel game with Dennis, the geekiest boy in school. But soon the joke is on her as she begins to fall for him.</i></p>
	<p>War Horse</p> <p>Michael Morpurgo</p>	<p><i>Michael Morpurgo's tender story of Joey, a brave hearted farm horse who finds himself caught up in the horrors of war, cleverly conveys both the violence and the occasional compassion, which occurs during conflict. A classic story of animal courage...</i></p>

Hush, Hush

**Becca
Fitzpatrick**

Romance was not part of Nora Grey's plan. She's never been particularly attracted to the boys at her school, no matter how hard her best friend, Vee, pushes them at her. Not until Patch comes along. But after a series of terrifying encounters, Nora's not sure whom to trust. Patch seems to be everywhere she is and seems to know more about her than her closest friends. She can't decide whether she should fall into his arms or run and hide. And when she tries to seek some answers, she finds herself near a truth that is way more unsettling than anything Patch makes her feel. For she is right in the middle of an ancient battle between the immortal and those who have fallen -- and, when it comes to choosing sides, the wrong choice will cost Nora her life.

**Gulliver's
Travels**

**Jonathan
Swift**

The book begins with a very short preamble in which Lemuel Gulliver, gives a brief outline of his life and history prior to his voyages. He enjoys travelling, although it is that love of travel that is his downfall. During his first voyage, Gulliver is washed ashore after a shipwreck and finds himself a prisoner of a race of people, less than 6 inches high, who are inhabitants of the neighbouring and rival countries of Lilliput. After giving assurances of his good behaviour, he is given a residence in Lilliput and becomes a favourite of the court. From there, the book follows Gulliver's observations on the Court of Lilliput.

He is also given the permission to roam around the city on a condition he not harm their subjects. Gulliver assists the Lilliputians to subdue their neighbours the Blefuscuans by stealing their fleet. However, he refuses to reduce the country to a province of Lilliput, displeasing the King and the court. Gulliver is charged with treason and sentenced to be blinded. With the assistance of a kind friend, Gulliver escapes to Blefuscu, where he spots and retrieves an abandoned boat and sails out to be rescued by a passing ship which safely takes him back home.
